ThriveEd Resources Accessibility Statement

We are committed to making our digital resources accessible to as many people as possible.

Our commitment

- Resources are designed to be clear, simple, and easy to follow
- Assembly packs use high-contrast text and legible fonts
- PDFs and presentations can be adapted for screen readers
- Alternative text can be provided for images upon request

If you need support

If you encounter barriers when accessing our resources, please contact us at info@thriveedresources.com and we will provide the content in an alternative format wherever possible.
